

# CONSERVATION WEEK

## PEST-FEST

Come explore the Pest-Fest, a free public event dedicated to providing information about New Zealand's pests. The Pest-Fest is a collaborative effort put on by: Department of Conservation (DOC), Wellington City Council (WCC), Greater Wellington Regional Council (GWRC), Victoria University of Wellington, Zealandia, Forest & Bird, WWF New Zealand, Halo Project, Landcare Research, Nature Space, and Queen Elizabeth II Trust. It will be the closing event for Conservation Week in Wellington so come show your support!

Bring in a weed from your garden and swap it for a **FREE** native seedling

### This event will include:

- **Weed Swap** (swap your garden weed for a *FREE* native seedling)
- **Kids Crafts and Mask Making**
- **Building Penguin Nests**
- **Trapping Demos**
- **Biocontrol Booth**
- **Designing Bird Friendly Gardens**
- **Tracking Tunnel Tutorials**
- **Kiwi Conservation Info**
- **Complimentary coffee by Caffe L'affare**
- **Free lollies from New World**
- ...and much more!

**\*Join the festivities at Waitangi Park on Sunday 15 September from 9am-2pm\***
